## Izatys Black Brook course

Izatys 18 hole Black Brook Course is located on acres of natural water and marsh hazards, native deciduous trees and undulating greens. Black Brook was the 5<sup>th</sup> golf course in MN to be certified from the National Audubon Society of New York. This award winning golf course was designed by John Harbottle.

## Golf Groups

Whether you're planning a golf outing for 8 tee times, or a tournament for 400 people, let us help you plan a great outing!

A golf outing is an excellent way to build relationships with friends, business colleagues or customers. It is a great day for fun, relaxation, friendly competition and also helps build teamwork. Charities also use golf tournaments for fundraising with great success!

Our professional staff is dedicated to assisting you with all of your group planning needs from lodging, exceptional banquet planning, meeting planning, and even event photographers to ensure that your event runs smooth and successful from start to finish.
