What's Cooking in the Kitchen by Chef Brian

Pictured: Portobello Mushroom Burger of the month - February

February should be an exciting month in the kitchen at Izatys this year. Our biggest planned event is the Valentines Wine Dinner on Saturday, February 11th. It's a 6 course dinner with some very creative dishes paired with a lineup of wonderful wines from Michael David Winery. We're proud to announce we've partnered with Wild Acres Farms in Pequot Lakes, MN to showcase their free range game birds including Game Hens, Ducks, and Pheasants. In addition to the wine dinner, we plan to have a Mardi gras themed menu for the last week in February. This

will include Louisiana classics such as Jambalaya, Fried Oyster Po-Boys, & Seafood Gumbo. Chef Brian actually had the opportunity to work in Metairie, LA following Hurricane Katrina. While there, he won first place in a gumbo competition and the locals couldn't believe a Northern chef from Minnesota took first place. This month's seasonal seafood will include Fresh Oysters, Atlantic Striped Bass, and Star Prairie Trout from Wisconsin. Stop in and try some of the exciting cuisine we have planned for February!

-Brian Nieman – Izatys Executive Chef
